

# How to tell if you have been brainwashed into the COVID Cult

## Cult Ideology

- \* Irrational belief that a version of the flu with no or mild symptoms for most people is a threat to humanity.
- \* Irrational belief that a version of the flu with a 99.9%+ survival rate is the most terrifying disease ever.
- \* Irrational belief that someone dying with COVID is the same as someone dying from COVID.
- \* Irrational belief that healthy people are actually ill but symptomless so should be avoided.
- \* Irrational belief that billionaires & global pharmaceutical corporations are only motivated by good.
- \* Irrational belief that personal freedom of movement, work and free speech are dangerous.
- \* Irrational belief that thinking for one self is dangerous.

## Cult Code of Conduct

- \* Obsessive fear of fellow human beings and avoidance of human contact.
- \* Obsessive hand washing and social distancing.
- \* Obsessive devotion to propaganda from one-sided State-funded and corporate media.
- \* Obsessive mask wearing to hide one's humanity and to signal obedience to "the Cult".
- \* Obsessive avoidance of any temptation to think or investigate facts and truth for oneself.

## Cult Objects of Worship

- \* Worship of media propaganda about "cases", "deaths" og "variants".
- \* Worship of lockdowns and the permanent destruction of millions of jobs.
- \* Worship of high-risk experimental vaccinese that will genetically modify one's body.

## Cult Sacrifices & Offerings

- \* Members must sacrifice their freedom of movement and civil liberties.
- \* Members must sacrifice their jobs, livelihoods & economic independence.
- \* Members must sacrifice their children's physical, social & mental health.
- \* Members must sacrifice their bodies to experimental vaccines.
- \* Members must sacrifice their privacy through 'health passports' and digital IDs.

## Cult Rituals & Ceremonies

- \* Self-isolation and quarantining at the first sign of a cold or flu.
- \* Dancing nurses in half-empty hospitals and dancing police to mock you.

## Cult Intolerance of Dissenters

- \* Non-cult memebers must be treated as heretics!  
Cult members believe heretics are dangerous unbelievers who must be shunned, censored by the media, insulted, barred from public spaces and fired from jobs.

### Why???

Because anyone who thinks for themselves and dares to investigate the facts will see that the cult is a fraud. It is being used as an excuse to instill the fear needed to create an authoritarian & totalitarian society.

Would you... get on an **experimental** aircraft that had **NOT** completed standard **safety testing**, had **NO** air worthiness certificate and for which the makers have absolutely **NO liability** for any deaths or injuries?

This is what you are being asked to do with the experimental, high risk mRNA COVID vaccines.

1984. George Orwell: "Everything other than working was forbidden: walking in the streets, having fun, singing, dancing, getting together, everything was forbidden..."

"You guys thought I was writing science-fiction, didn't you?"

The vaccine wasn't brought in for Covid... Covid was brought in for the vaccine.

Once you realize that, everything else will make sense.
